Born and raised in the city of brotherly love, Philadelphia PA, Steve O started his career in music working backstage security for such bands as The Rolling Stones, Aerosmith, ZZ Top, Bruce Springsteen and Robert Plant just to name a few. 9 years, some 300 concerts and 1 stab wound later, music was changing and working concerts wasn't fun anymore. Steve O turned to djing and in 1999 moved to Orlando FL in search of more opportunity. In 2002 he took his skills to the internet airwaves hosting his own weekly radio show "The Rude Crude in your face music show".

In 2004 Steve O left the airwaves to pursue a life of free flights, working in the airline industry. After traveling the world and being blessed by the Pope in Italy... (yes, this really happened), Steve O decided it was time return to radio. It was at WEUS 810AM in Orlando while working on The Ed Tyll show that Steve O met Doc Holiday, a local broadcast legend from XL 106 morning show with Doc and Johnny and K92 morning show with Doc and Grace, who was starting a career in talk radio. Steve O joined Doc's new show as a producer and co-host.

Fast forward a few years and Steve began producing his 70's dance show call DJ Steve-O's Funky Disco Show. He can be heard Saturday nights from 10:00 PM to midnight (E.S.T.), right here on Surf 97.3 FM. Get your dance shoes and your funky 70's dance floor moves on because on Saturday nights it's time to boogie on Surf Radio!
