We had a great year here at Surf 97.3 FM. Here's some of the highlights of 2014 for us: We made a huge switch from AM to FM, teamed up with our wonderful partner "The Flagler Beach Historical Museum" not-for-profit museum for the station to become FM, created new shows and lots of local programming, was involved in the fabulous 4th of July in which we supplied the judges sound system for and took home a trophy in the parade for our station's truck/float (click "Read more" below). In addition this year, we also helped host a Pier party with the Chamber of Commerce right here at our station headquarters and also had a float entry in the Flagler Holiday At The Beach parade. We also made a lot of new friends and listeners here in Flagler and across the globe on our webstream with listeners tuned in to the Surf everyday. Here's to looking ahead for a brand new year. We want to thank all of YOU for tuning in and listening and becoming a part of our family. Happy New Year everyone! From our radio family to yours, have a safe and happy New Year. Happy 2015. (-Vern Shank on behalf of our entire staff)
