DJ Surfin' Vern here. Happy New Year to our radio family and friends! Watch and listen for "BIG" news here in 2014! Hmmm, what could it be? Let's just say, if you can figure out what the words in quotations below might mean, you may understand what could be happening this year here at our station: "Amplitude Modulation; Frequency Modulation". Any clues? Let us know what you think. Many thanks to all of you for tuning in from your "Beach, Island & Sunshine Oldies" station, the all new Surf Radio.
