The warm weather is finally here and Surf 97.3 FM celebrates the arrival of Spring on March 20th going until June 20th. With warm weather here in Florida, there's always time for the outdoors. The music from our station is exactly what you need to enjoy a fun day at the beach by the ocean or outdoors with mother nature. Take us along with you on the drive or listen to us at your desk at work while you dream of being near the water. We are your Sunshine Music Station broadcasting directly from the Flagler Beach Pier. Surf's up!
