

Make A Donation

SURF 97.3 FM is a true community radio station, locally operated by volunteers from the Flagler Beach community. Local people create programming, design events, and keep the station up and running and on the air.

All this programming to our "not-for-profit" radio station is made possible thanks to the hard work of many dedicated volunteers and generous donations from people like you. Licensing, equipment, utilities, repairs... the costs will keep going up, year after year, but thanks to your support, SURF 97.3 will remain a vibrant voice in Flagler Beach and worldwide through our online stream. We need your assistance to keep bringing The Sound of the Surf to your ears.

So why not make a donation to show your continued support of Flagler Beach's only truly local community radio station? It's easy to do! With PayPal you can make a direct donation using your own PayPal account or your credit card. You can also become a monthly sustainer.

Or consider becoming an underwriter for your business or organization; by underwriting SURF 97.3 FM. You not only get great exposure while you support your local radio station, you also become an integral part of the fight for a more diverse and open media that promotes the public interest and strengthens our community. To find out how you can become an underwriter and support Surf Radio our email address is flaglerbeachradio@gmail.com [1] or our station number is 386-643-4732.

If you would like to donate even the old fashioned way, checks may be sent and made payable to SURF 97.3 FM, PO Box 1226 Flagler Beach, FL 32136.

No matter how you contribute, every dollar helps keep SURF 97.3 FM alive and riding the waves! Thank you and as always... Surfs Up!

To donate via PayPal or using a credit card, simply click on the DONATE button directly below:
