Big Bob is a native of Detroit, Motown , Michigan. Bob's Memory Lane show features "Old Time Rock & Roll" along with charted hits from the 50's 60's and 70's, including one hit wonders and covers. Bob's database contains charted tunes from a variety of popular groups.

Bob says, "We just don't play songs, we play memories. Before we had cell phones, before there were CD-ROMS, before microwave ovens dictated what we ate, and before SUV's emptied our wallets, wasn't life much simpler? If you remember the Motown Sound, Drive-in Movies, and Cruising your Main Street, then sit back, listen, enjoy, and reminisce with the tunes that will never die!"
