Trop Rock Fridays

[1]

DJs: [Capt. Nick Nicholson](#) [2]

Genre: Trop-Rock

Capt. Nick takes us on a sea voyage with trop-rock island sounds. Trop-Rock is a mix of country, bluegrass, southern rock, and Jimmy Buffett influences. When mixed together it forms a frozen concoction called Trop Rock. Fridays on Surf 1700 AM is dedicated to this beach style.

Catch Capt. Nick spinning his favorites and a few of his very own for happy hour Friday nights from 4:00 PM - 7:00 PM here on Surf 17!
