Surf 17 hopes you had a spectacular 4th of July when you attended the Fabulous 4th Festival here and for tuning your radio to 1700 AM when you came in to town! We were broadcasting live all day at our station located right on The Flagler Pier. The parade went right past our station and people hung out with us all day and night. The fireworks were shot over the Atlantic ocean from the barge just hundreds of feet away from our doors. Thank you to all the great compliments we recieved about our music format and to everyone that stopped in and grabbed some Surf 17 goodies.
